Disclaimer

This guide is provided for general information and practical setup support. The information is correct at the time of creation, but third-party websites, software platforms, menus, policies, prices, and page layouts can change without notice.

Facebook, Google Business Profile, AWeber, and any other platforms mentioned may update their processes or interface labels after this guide is published. If a step looks different, use the platform's current help pages or contact Podmore Media for support.

This guide does not replace professional legal, compliance, tax, data protection, or marketing advice. You remain responsible for checking that your customer communications, email marketing, advertising, and data handling comply with the rules that apply to your business and location.

Getting Started Guide

Facebook, Google Business Profile & Email Marketing Setup

PART 1: Facebook Business Page

Step 1: Create Your Page

1. Go to facebook.com/pages/create
2. Select "Business or Brand"
3. Enter your business name (e.g., "ABC Plumbing")
4. Choose "Plumber" or "Home Improvement" as category
5. Click "Create Page"

Step 2: Add Basic Info

- **Profile picture:** Your logo or a professional photo of you
- **Cover photo:** Your van, a completed job, or your team
- **About section:** 2-3 sentences about what you do and where you work
- **Contact info:** Phone number, email, website (if you have one)

Step 3: First Post

Copy and paste your first social media post from the monthly content we provide.

PART 2: Google Business Profile

Step 1: Claim Your Business

6. Go to business.google.com
7. Sign in with your Google account
8. Search for your business name
9. If it exists, click "Claim this business"
10. If not, click "Add your business to Google"

Step 2: Verify Your Business

Google will send a postcard with a verification code to your business address. This takes 3-5 days.

Step 3: Complete Your Profile

- **Business name:** Your trading name
- **Category:** "Plumber" (add secondary categories like "Emergency Plumber" if relevant)
- **Service area:** List the towns/postcodes you cover
- **Hours:** Your working hours
- **Phone number:** The number customers should call
- **Website:** Your website (or leave blank if you don't have one yet)

Step 4: Add Photos

- Your logo
- Your van
- Before/after job photos
- Your team

Step 5: First Post

Once verified, copy and paste your first Google Business Profile post from the monthly content we provide.

PART 3: Email Marketing with AWeber

Why Email Marketing?

Your past customers are your best source of repeat business and referrals. Email keeps you top of mind without being pushy.

Step 1: Sign Up for AWeber

11. Go to aweber.com
12. Click "Start Your Free Trial"
13. Enter your details and create your account

Note: AWeber offers a free plan for up to 500 subscribers. This is plenty to get started.

Step 2: Create Your First List

14. In your AWeber dashboard, click "Lists"
15. Click "Create a List"
16. Name your list (e.g., "ABC Plumbing Customers")
17. Add your business address (required by law)
18. Write a brief description of what subscribers will receive

Step 3: Add a Sign-Up Form to Your Website

19. In AWeber, go to "Sign Up Forms"
20. Click "Create New Sign-Up Form"
21. Choose a simple template
22. Customise with your logo and colours
23. Save and publish
24. Copy the embed code
25. Paste the code into your website (or ask your web person to do it)

No website yet? Use AWeber's hosted form and share the link on your Facebook page or in your email signature.

Step 4: Add Your Existing Customers

26. In AWeber, go to "Subscribers"
27. Click "Add Subscribers"

28. Import your customer list (CSV file or manual entry)
29. **Important:** Only add customers who have agreed to receive emails from you

Step 5: Send Your First Email

Each month, you'll receive email/newsletter drafts from Podmore Media. To send them:

30. Log into AWeber
31. Go to "Messages" → "Broadcasts"
32. Click "Create New Broadcast"
33. Copy and paste the email content we provide
34. Add a subject line (we'll suggest one)
35. Preview and test send to yourself
36. Send to your list

What to Email Your Customers

- Seasonal plumbing tips
- Maintenance reminders
- Special offers
- New services
- Helpful advice (not just sales)

Rule: 80% helpful content, 20% promotional.

PART 4: What Happens Next

Every month, you'll receive from Podmore Media:
